On April 25, 2008, the Court convened a Settlement Status Conference in the above entitled action. Appearing were Lisa Belenky, Esq. on behalf of plaintiff; David Hubbard, Esq. and Mark Subbotin, Esq. on behalf of defendant Newhall Land and Meredith Flax, Esq. and Cheryl Dobson, Esq. on behalf of defendant U.S.

The tentative settlement that was discussed at the Early Neutral Evaluation Conference cannot be confirmed. At this point, the parties need to decide how best to address plaintiff's interest in compelling an interim remedy for the relief sought. The parties will confer and discuss the need to continue to have Newhall Land involved, and what proceedings or information is necessary to posture the case for motions. This information will help in the development of a schedule.
